Know Before You Go

We look forward to seeing you at the Electrical Wire Processing Technology Expo 2026, the industry's premier event for wire harness manufacturing!

Here are some things to help you prepare for your visit.

Baird Center – North Building

All events will take place in the North Building of Baird Center, 405 W. Kilbourn Avenue, Milwaukee, WI.

Street Level Entrance: The main street level entrance for EWPTe is on the corner of Kilbourn Avenue and N Vel R. Phillips Avenue. Once you enter the building, take the escalator to Level 3 and proceed to Registration, located in Exhibit Hall E.

Hilton Guests: Enter Baird Center through the Hilton Skywalk, located on Level 4 of the hotel. Once inside Baird Center, take the single escalator down and remain on Level 2 until you reach the Skybridge, located near the South Building escalators. Cross the skybridge to enter the North Building. After you cross the Skybridge, take the escalators on your left to Level 3 and proceed to Registration, located in Exhibit Hall E.

Hyatt Guests: Enter Baird Center through the Hyatt Skywalk, located on Level 2 of the hotel. Once inside Baird Center, immediately proceed up the escalators to your left to Level 3 and proceed to Registration, located in Exhibit Hall E.

Parking: The Baird Center Garage offers indoor parking with easy access to all events at Baird Center and surrounding locations. You can purchase parking passes in advance on [Baird Center's website](#). Please utilize the Kilbourn Avenue Entrance Garage for EWPTe. For additional parking areas or to search nearby available parking use the Interstate Parking App which is available on the Apple App or Google Play Stores.

2026 Cable & Wire Harness Competition - Regional Qualification USA | Booth 100

Introduced in the United States for the first time, the Cable & Wire Harness Competition (CWH) will take place during the EWPTTE – Electrical Wire Processing Technology Expo 2026 in Milwaukee, Wisconsin.

This competition invites skilled technicians and harness assembly specialists to demonstrate their expertise in wire preparation, crimping, splicing, and assembly — all under the exacting requirements of IPC/WHMA-A-620, the industry standard for cable and wire harness assemblies.

Participants will compete under timed conditions (60 minutes) using identical materials and tools, with results evaluated by certified IPC judges.

Wire Expo Operations Summit & Exhibits

The Wire Association International Inc. (WAI) will host its biennial Wire Expo on May 6–7, 2026, co-located with the Wiring Harness Manufacturer’s Association (WHMA) / Global Electronics Association’s Electrical Wire Processing Technology Expo (EWPTTE).

Bringing these two events together creates a comprehensive industry experience, uniting the full wire and cable ecosystem under one roof. This co-location offers valuable opportunities for manufacturers, suppliers, distributors, and end-users to explore the entire value chain, discover emerging technologies, build strategic partnerships, and drive industry advancement.

To enhance accessibility and collaboration, WAI will grant EWPTTE 2026 attendees’ access to the Wire Expo show floor using their EWPTTE badges.

Wire Expo Show Hours:
 Wednesday, May 6 9:00 am – 5:00 pm
